Brief Introduction

The Zhang Jiagang TR Tool Company is located in Zhang Jiagang, Jiangsu. Zhang Jiagang is an international port city located on the Yangtze River, 150 km west of Shanghai and 200 km east of Nanjing.

The company is situated on 22,300 square meters of land and has 15,000 square meters of manufacturing, warehouse, and office space and it employs 200 workers, among whom ten are product designers. The company manufactures 500 different types of **TOOL BAGS** and **TOOL BELTS**, which are exported to Europe, America, Japan, and many other international markets. We have currently established a stable long-term business relationship with many well-known international brands. Since the company was founded in 2003, sales have steadily grown each year. In 2012, our sales reached 8 million US dollars.

During the development of OEM, we formed our own brand, JACKMAN, which has been exported to Japan, New Zealand & Australia.

Our goal is to provide our tool bags wherever they are needed. We maintain an honest approach to business and will continue to expand our line of products and our reach in the global market.
